U.S. BORDER PATROL COMMUNITY STOREFRONT TO BRING “GOOD NEIGHBOR INITIATIVE” TO TEMECULA

Temecula, CA: Continuing the efforts San Diego Sector Chief, William T. Veal, set forth in March of this year, the U.S. Border Patrol is bringing the “Good Neighbor Initiative” to Temecula. The Border Patrol is committed to working in partnership with area residents, community groups, and local businesses in order to address all immigration-related matters and to foster mutual understanding and awareness among agents and the community.

The initial phase of this process is the deployment of the mobile community storefront in various locations around Temecula. Similar to the *Good Neighbor Initiative* operations in East County, the community storefront will enhance the process by which the community and the agency identify and solve problems. This will ensure a consistent and positive Border Patrol presence throughout the greater Temecula area. Agents will be available to answer questions related to immigration or Border Patrol activity in Temecula and San Diego County. The community storefront will be available at the following locations and times:
